The Reasons For the Club

To provide a way for those of moderate and even small means to bank their money.

To teach "the Banking habit" to those who have never learned it.

It makes Your pennies, nickels and dimes, often foolishly spent grow into dollars; dollars grow into a fortune. Start your fortune today.

To give you a Bank connection and show you how our Bank can be of service to you.

For Old and Young

The sensible thing for all parents to do is to join our Christmas Banking Club and also put every member of their family into it. This will teach them the value of money and how to bank and SAVE MONEY. Maybe this little start you give them now may some day set them up in business or buy them a home.

How often have you wished that your parents had taught you the value of banking your money.

You would be well-off today. Don't make the same mistake with YOUR children.

Red Cross members who wish to be busy and have not received material yet for the work they wish to do, can make comfort bags for the boys from home who have enlisted. The boys who were drafted were given all kinds of presents for their comfort but the ones who have gone since then have not been remembered. Such a present from the women at home would be much appreciated. Some of the Illinois Chapters furnish every man who enters the army a comfort kit as soon as he enlists. One of the soldier boys made this suggestion.
